

Dear colleagues!

You are invited to take part in the 10th International student conference on local history

**“South-Eastern Ukraine:
from antiquity to the 21st century”**

November 23-26, 2017

**Focus areas
of the conference:**

- South-Eastern Ukraine from antiquity to the end of the 19th century
- History of South-Eastern Ukraine in the 20th – early 21st century
- Ethnology and ethnography of South-Eastern Ukraine
- Religious, cultural and educational processes in the region
- Geographic and geological peculiarities of South-Eastern Ukraine
- Archeology of South-Eastern Ukraine

Location: Sviatohirsk, Donetsk Oblast, Ukraine

Working languages of the conference: Ukrainian, Russian, English, German.

Delegations of districts (towns) of Donetsk Oblast, other regions of Ukraine, Kyiv, as well as representatives of other countries are invited for participation. Students up to 21 years old with their supervisors can be members of delegations.

Applications for participation and papers should be submitted before **June 1, 2017** to the e-mail address: shidoctk@gmail.com

Layout of papers

Volume of text with the list of literature and appendices – up to 5 pages of A4 format (type Times New Roman 14 pt, without division into syllables, interval 1.5, full page alignment, margins 15 mm from all sides, indented paragraph 10 mm, without page numbering).

Title of paper is typed in the middle. Information on author (authors) is placed lower, in the right corner. Author's full name, institution, city (village) name, country are stated. Information on research supervisor (supervisors) - full name, place of work, position, degree (if any), name of conference section are stated. References to sources and literature are given after their mentioning like [1,134], where figure 1 is its number on the list of sources and literature, figure 2 – number of page. List of sources and literature

is compiled in order of reference appearance. Photo documents can be included. Text is given in MS Word for Windows 98–2007 or RTF formats.

Requirements for photo documents

Paper can include up to 4 photo documents; each is referred in the text. Images are not placed in the text. Files with images named according to their references are submitted in separate files of JPG or TIFF formats. Image resolution: 72-300 dpi. Photos must be original (author's). Images must be qualitative, clear and contrasting. Photos from mobile phones or tablet PCs are not accepted.

The number of papers submitted for publication is not limited.

The list of participants will be published on the official site of Donetsk Oblast Center of Tourism and Regional Studies for Students - <http://doctk.klasna.com>

The editorial board reserves the right to reject improper papers and to edit them.

The conference program envisages an author's presentation at one of the sections. Speakers are given up to 7 minutes. Audiovisual aids can be used.
